

**Jump Trading Simulation & Education Center  
PNC STEAM Scholarship Application**

Thank you for your interest in the Jump Simulation Science, Technology, Engineering, Arts and Math (STEAM) program for students grades six through twelve. PNC Bank is proud to offer scholarships to eligible students who have an interest in STEAM subjects.

Each course offers fun, hands-on experiences in the health care space covering topics related to:

- Art, Virtual Reality and Medical Visualization
- Clinical Anatomy
- Emergency Medicine
- Engineering
- Medical Simulation

Information on the courses available can be found on the Jump website at [jumpsimulation.org/school](http://jumpsimulation.org/school)

The application process includes a student application form and a teacher recommendation. The teacher and student portion can be submitted separately – both portions must be received by the scholarship deadline to be considered. Scholarship eligibility is based on financial need.

Please complete the forms below and send to: [Events@jumpsimulation.org](mailto:Events@jumpsimulation.org)

Parents of selected students will be notified via email and will need to complete and return the parental consent form (school personnel may be notified as well). Students will then be enrolled in the course and their course fee will be covered by PNC Bank. Transportation will not be provided.

STEAM Saturday courses are hosted at:

Jump Trading Simulation & Education Center  
1306 N. Berkeley Ave.  
Peoria, IL 61603

If you have any questions or concerns, please contact [Events@jumpsimulation.org](mailto:Events@jumpsimulation.org).

Thank you for your interest in Jump STEAM courses and applying for the PNC scholarship.
