# Legacy Nursing: Shaping Culture, Transforming Care

## Agenda

**Tuesday September 28, 2021**

Join us for an evening of inspiration and celebration! Be prepared to laugh and cry as you hear not only an inspirational presentation from our Keynote speaker, but stories about the selected award winners from across the OSF Ministry who truly went above and beyond this past year in serving with the greatest care and love.

- **4:30-5:30 PM**
  - Registration, networking and heavy hours d'oeuvres

- **5:30 PM**
  - Nursing Excellence Award Ceremony and Celebration

- **7:30 PM**
  - Closing

**Wednesday September 29, 2021**

Join us for our all-day symposium where you will hear from OSF leaders on the challenges we face in nursing and our Strategic Plan for 2022. You will also have the opportunity to take a deep dive into the most important and challenging topics nurses are facing today through a variety of breakout sessions.

Breakout Sessions
September 29 2021

Mission Partner Safety Simulation*

One of your three breakout sessions must include selecting a simulation. Simulation sessions are offered throughout the day, so choose the right time for you!

This simulation will focus on the topic of Mission Partner safety and provide you with an immersive experience in the simulation space. There are four care setting options to select from, please select the one most relevant to your area of practice.

Session 1: (11:00 AM - 12:00 PM)
- Mission Partner Safety Simulation: Inpatient/ED
- Mission Partner Safety Simulation: Home Care
- Mission Partner Safety Simulation: Office Clinic
- Mission Partner Safety Simulation: OnCall Digital Health

Session 2: (1:00 PM - 2:00 PM)
- Mission Partner Safety Simulation: Inpatient/ED
- Mission Partner Safety Simulation: Office Clinic

Session 3: (2:00 PM - 3:00 PM)
- Mission Partner Safety Simulation: Home Care
- Mission Partner Safety Simulation: Inpatient/ED
- Mission Partner Safety Simulation: Office Clinic
- Mission Partner Safety Simulation: OnCall Digital Health

Breakout Session #1: (11:00 AM - 12:00 PM)

*Mission Partner Safety Simulation
See Description Above

Critical Care and Emergency Nursing
This breakout session is focused on critical care and emergency nursing. You will hear topics specific to:
- Reducing CLABSI with peripherally infused vasopressors, Ben Coyer
- Sepsis: What Nurses Need to Know, Amanda Los and Kelly Wasilewski
- Improving the Admission Process from ED to Inpatient Unit, Robin Potts
- Pressure Injury Prevention in the Critically Ill Patient, Missy Klyber

Give Me Five!
Give me FIVE! In this session 5 experts from OSF HealthCare will help participants discern Facts from fiction about the pandemic (past and present), understand initiatives take by OSF regarding supply utilization and medical best practices during this unprecedented time; discuss Vaccine information – myth versus science, and introduce Ethical and Catholic healthcare principles leaders used to shape their decisions, allowing us to continue our Mission to serve with the greatest care and love.

Oncology Nursing
This breakout session is focused on Oncology nursing. You will hear topics focused on:
- The role of the Nurse navigator- Tenille Oderwald
- HPCOA Experience with Nurse Navigator-Led Advance Care Planning Catherine Bailey & Tenille Oderwald

Pediatric Early Mobility
This breakout session is focused on implementation of a pediatric early mobility program from expert Megan Kupferschmid

Women’s Care
This breakout session is focused on Women’s care. You will hear topics specific to:
- Keeping Our Moms and Babies Together: An implementation of best practice, Kristie Haage
- 2021 ILPQC OB Storyboard, Gina Demas & Mary Grimm
- 2021 ILPQC Neonatal Storyboard, Cheryl Chemers & Mary Grimm
- ILPQC MNG-OB Initiative, Anabel Tomas, Kelly Hert, Sandra Crawley, & Jaime Ferguson
Breakout Session #2: (1:00 PM – 2:00 PM)

*Mission Partner Safety Simulation
See Description Above

Ambulatory & Digital Health Nursing
This breakout session is focused on Ambulatory and digital health nursing. You will hear topics focused on:
- **Scope and Standard of Practice for Professional Telehealth Nursing**, Jennie Van Antwerp, Courtney Pilat & Suzanne Hinderliter
- **The Pursuit to 5 Star Quality** from a panel of leaders in home care and multispecialty group

Education & Development
This breakout session is focused on education and development. You will hear topics focused on:
- **A Nurse Mentorship Program, Evidence to Support Resilience and Retention**, Kim Cooley
- **Simulation-based Learning, Anxiety, and Self Confidence**, Keely Zunker
- **Engaging and Educating the Night Shift Bedside Professional Nurse**, Tamara Sanchez & Toufic Khairallah
- **Implementation of an extended Unit-Specific Nurse Education Program**, Samantha Monk & Megan Kupferschmid

Interdisciplinary Rounding
This breakout session is focused on topics on how to improve the efficiencies of interdisciplinary rounding from experts Charlotte Liley & Melissa Hartnett

Medical Surgical Nursing & Behavioral Health Nursing
This breakout session is focused on medical surgical nursing & behavioral health nursing. You will hear topics focused on:
- **Groin Management Following Endovascular procedures for Ischemic Strokes**, Marla Farone
- **Does Screening with a Supine Leg Lift Test predict the ability of a patient to stand from a seated position?** B. Coyer, J. Sutter, J. Pilon,
- **Physical Activity Group on an Inpatient Behavioral Health Unit**, Patricia Brown
- **Effects of an Early Warning Score Protocol on Patient Outcomes**, Danielle Molina

The Future of Nursing: 2020-2030
While The Future of Nursing 2011 report was about building the capacity of the nursing workforce, The Future of Nursing 2020-2030 answers the question of to what end. All nurses, at all levels and in all settings have a duty and responsibility to work with other healthcare professionals to address the social determinants of health (SDOH) and work toward achieving equity. In this session, you will learn about SDOH and "The Future of Nursing". In addition, you will be introduced to nurses from across our Ministry who are already stepping up to make a difference. Learn how you can carry forth the Mission of the Sisters of OSF Healthcare and leave a lasting legacy in your community!

Breakout Session #3: (2:00 PM – 3:00 PM)

*Mission Partner Safety Simulation
See Description Above

Ensuring Safety in the Operating Room
This breakout session is focused on ensuring safety in the operating room from expert Taylor Fay

Next Generation of Nursing
This breakout session is focused on growing our next generation of nursing. You will hear topics focused on:
- **Implementing Dedicated Education Units** Amy Kirchhoff & Jill Crawford
- **Transition to Practice**: Jill Williamson
- **Retention strategies, listening to the voice** Jill Crawford

OSF Staffing
This breakout session will focus on OSF staffing: Where we are today and where we are headed. Topics will include ANA principles of staffing, Illinois Law, Nursing Care Staffing Council, and precision staffing. You will hear from CNO's across the system on strategies to support nurse staffing.

Socializing New Graduate Nurses
This breakout session is focused on socializing new graduate nurses to the hospital setting after the pandemic from experts Danielle Litro & Melanie Tomas

Women's Care
This breakout session is focused on women's care. You will hear topics focused on:
- **Maternal Cardiac Arrest: Modification to BLS and ACLS**, Mary Ann Liner
- **Neonatal stabilization**, Janessa Jenkins
